“TIME’S UP FOR CHANGING KENTUCKY”

2007 FALL TOUR

FOR KENTUCKY MANUFACTURERS AND INDUSTRIES THAT SUPPORT MANUFACTURING

LOUISVILLE – TUESDAY, SEPTEMBER 25, 2007

As a manufacturer, it's imperative to stay on top of legislative activity and regulatory developments. Fully understanding what issues are being addressed in Frankfort and Washington and how each of these issues affect your bottom line is crucial to remain competitive in the global marketplace. It is also vitally important to contain the costs of employee health care, wages, recruiting and benefits. The “Time’s Up for Changing” Kentucky Fall Tour will be conducted by the state’s only manufacturing association, the Kentucky Association of Manufacturers. Those in attendance will be instructed on writing their own legislative agenda and given a presentation on how your employees can get involved in legislative issues through the Kentucky Prosperity Project.

LOCATION & COST: The morning program is scheduled for Tuesday, September 25, 8:30 am at the KAM Office in Louisville. A full breakfast will be served. We recognize the demands of your busy schedule and plan to conclude the program by 11:30 p.m. This program is FREE of charge. The afternoon program is scheduled from 12 pm to 3 pm with a FREE lunch. Attire is business casual.

Please fax the attached registration form to KAM at 800-750-0185 by September 20.

Feel free to pass this information on to your associates and peers.
